Well Steve,

Another year has come to an end. One good thing I'm glad for though, was that I got to know you better you're really an all right guy, you're cute, muscled (can't spell) and a really neat person. Thanks for the couple of times we had together (I enjoyed that) and for being a really neat friend. Oh ya thanks alot for the scare you gave me but I'll pay you back. Well I hope I see you before you leave to your "COLLEGE" (you'll live long enough) + next year of course. Well my reason's for not wanting to talk about Forrest was because he hurt me! But I learned one good thing about it and that was never to believe another guy when he says "I love you". Oh well that's in the past now. Have to look up to the future. Take care of yourself Steve, don't party too much but will have to get together all of us and party nice when you come back from your college. Oh ya one more thing sorry about the night after the dance remember. I really made a big mistake by being with Frank Garcia cause now I hate him. (I'm uird) I hope you except my apology. Well Steve I guess this is it for now take care of that cute face + nice body don't shave your mustache off cause that's what makes you look better + good. Don't let this go to your head (H-H) Well have to have another water fight at your house again.

Working towards an exciting year, the freshmen showed spirit through actively participating in events throughout the year. They supported their teams with great enthusiasm and sportsmanship, by attending the sports activities, and pep assemblies.

Every year, it is a tradition for freshmen to paint C Mountain. Many freshmen participated in this, and enjoyed painting the C.

Also, the freshman were welcomed to high school by a dance sponsored by the sophomores.

Sophomores began their year with an unexpected surprise. At halftime during Homecoming night at Friday night's game, the Sophomore float "Bears Are Dynamite" caught on fire. It was quickly extinguished, and no damage was done. In spite of the mishap, the float won third place. Attendants Kim Rowe and Phillip Montijo represented the Sophomore class.

As the Sophomores entered their second year, they had their school days filled with Freak Week, Western Week, Homecoming, and the Sophomore Welcome Dance that was held in November, where the Freshmen were admitted free. As a money making project they sold snowcones in the breezeway for a week. With the support of their sponsors, Mrs. Claussen and Mr. Folley, the Sophomores had a successful year.

Juniors started the year off right by placing first in float competition during Homecoming. Operating the snack bar at the varsity and j.v. football games was another way in which Juniors contributed to CHS.

As usual the Juniors sponsored the Junior—Senior prom. Using the theme "Life is a Merry—go—Round" there was a life—sized Merry—go—round for prom pictures. The carnival theme was furthered by the idea of clowns for cups, napkins, and helium filled balloons. The prom was held at CAC on April 16 from 9 p.m. to 1 a.m.

After four long years of struggle, the Class of '77 was finally ready for graduation. Within the last few years many talents and abilities had been required by each member. Some members professed themselves in science, math, and English; while others learned the arts of hall walking and truancy. All in all the Senior class was proud of its achievements.

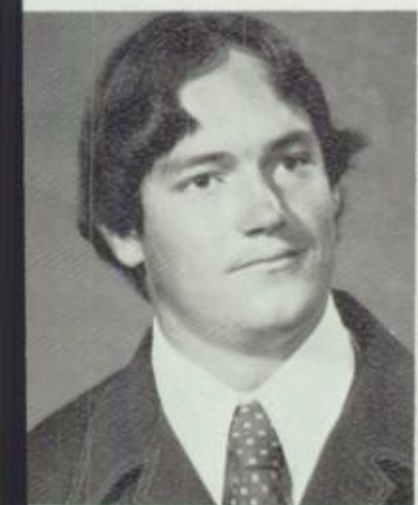

The apple of the seniors' eye was the float they constructed for Homecoming 1976. Hours of preparations with the leadership of Preston Holland, the Senior Class President, resulted in a beautiful construction of chicken wire, paper mache, and napkins. With the theme "Stomp the Redcoats" and construction of a large, perfectly proportioned tennis shoe, they were placed second!

frosh and j.v. bounce to victory

The Freshmen and J.V. basketball teams had another successful season. Under the guidance of Larry Delbridge, Freshmen coach, and Dick Maynes, J.V. Coach, the teams met their opponents well prepared.

Mr. Delbridge said, "All in all we had a good year; the team plays well together, and we didn't have any selfish playing." Defense was stressed this season according to Mr. Delbridge.

Mr. Maynes said, "The team lacks height, and there was a lack of concentration not only at games, but at practices as well. If the J.V. players expect to play Var., that is one thing they have to improve on."

Both coaches saw quite a few prospective Varsity players.

1. Tommy Martinez rebounds for Coolidge. 2. Phillip Montijo shoots for two. 3. Manuel Lopez drives for a layup as other Coolidge players prepare for a rebound.

This year's Coolidge Bears Varsity Basketball Team had to follow last year's number one team, and the team knew that all along. The team handled the pressure quite well. The Bears consisted of six seniors, four juniors, one sophomore, and one freshman. Coach Partain said the team was young, with not much experience, but their goal was the same.

Practices for basketball started for the Coolidge Bears on November first. Coolidge hosted and won the Coolidge Invitational Christmas Tournament. Senior Larry Brown was named most Valuable player of that tournament. The Bears were rated number one in the state for Class A.

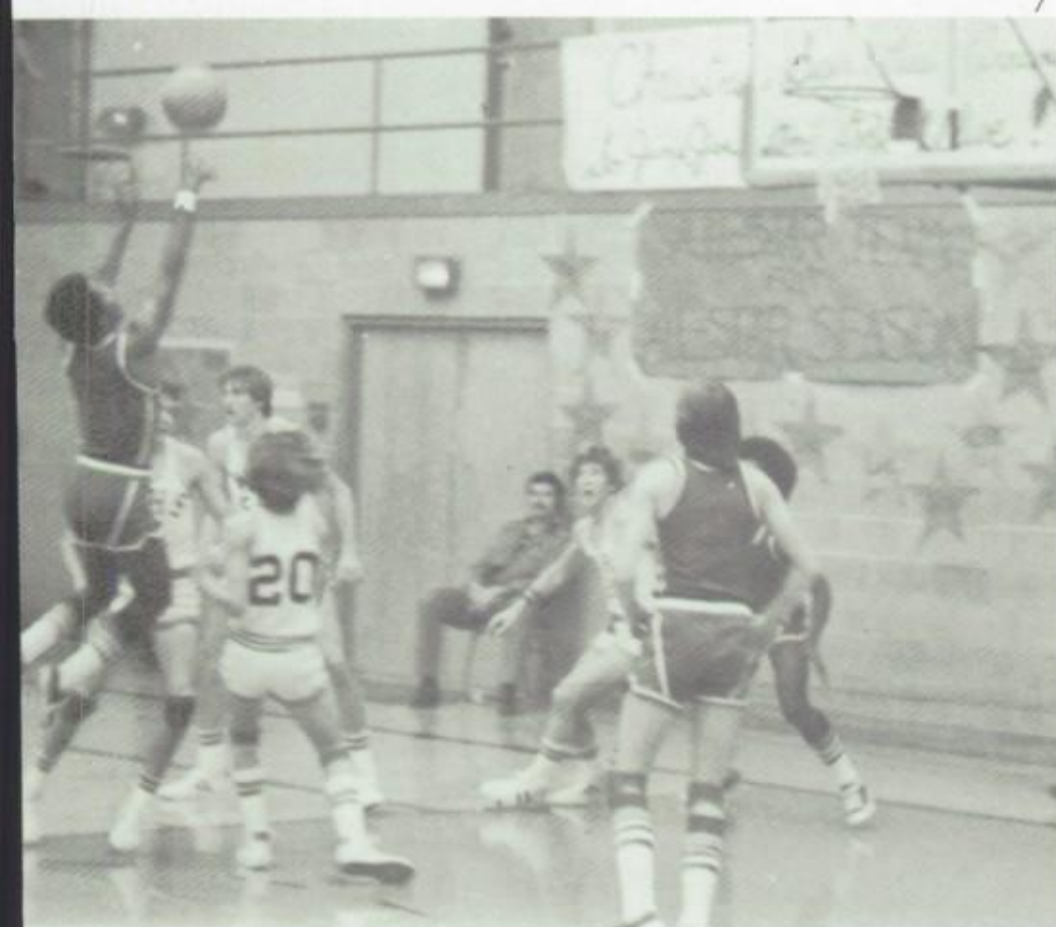

1. Larry Brown skillfully scores two for Coolidge. 2. Jim Earl Harrison goes inside against CDO. 3. Larry Brown puts up another two. 4. Alvin Moore tries a jump shot over a 7 foot center.

After completing four years of high school, the ten top seniors were finally selected from the graduating class. Their honors were based on achieving the highest scholastic ratings in their class.

These ten seniors were recognized for the outstanding work they did during their school years.

Linda Jones became the winner of the Betty Crocker Homemaker of Tomorrow Award. She was given a test which evaluated her knowledge of homemaking in which she scored the highest.

This year's winner of the Daughter of American Revolution Citizenship Award was won by Skip Cole. Skip was selected for this award for the help and leadership he has given to the school and community.

Chosen for the Baush and Lomb Science Award was Marie Lewis. During her four years of high school, she showed outstanding science achievements.

Theresa Behrens and Bobbi Bowen traveled to Tucson for a one week's stay in a comfortable room in one of the dormitories at the University of Arizona. They competed for city, county, and state offices while learning about government. Terri Skousen and Kim Taft acted as alternates in Coolidge.

Six boys were selected to represent Coolidge High School at Boys' State in Flagstaff. Curtis Kempton, Skip Cole, Kevin McHugh, and Phillip Terrell enjoyed all the luxuries of Old Main and Taylor halls. Skip Cole ran for Supreme Court Judge in the general election but failed to capture the title. Kevin received senatorship, and Curtis gained the job of county assessor. Larry Brown was unable to attend the convention, so Phil Terrell filled in for him. Gene McLemore moved to Coolidge in September... He attended Boys' State in Oklahoma.

"Ignorance is bliss," so says Skip Cole, Student Body President at the opening assembly this year, sponsored by the Student Council. He stressed the importance of getting involved in Student activities this year. After this was said, Council members performed a "Jaws" chant.

Homecoming Week, Freak Week, Twirp Week, and Western Week were all well prepared by the Council. The Homecoming Week parade, an assembly, and half time activities were also well planned by the Council and showed precision timing.

The Council tried to help the Freshmen adjust to High School life with the Welcome dance and painting of "C" Mountain. A privilege was bestowed upon the Council by the administration, with an invitation for Council members to participate in the North Central Evaluation.

Members took care of the Marquee board, and helped with the Student of the Month Program. Elections were held in the Spring. Over all the executive members showed strong leadership abilities. Roxanne Hiscox, Publicity Director, was replaced by Scott Sipes at the end of the 1st semester. All the members of the Student Council tried their best to represent the students in their needs and wants.

summer brings new experiences

Last summer many people were busy traveling, learning, and having a good time.

Sally Bollhauve, Carol Wuertz, and Stephanie Tripp along with Mary Fran Rosborough went to Europe with the Foreign Study League. They visited England, France, West Germany, Austria, Italy, and Spain.

They bought many souvenirs, learned of some foreign customs, and met many people in the countries they visited.

Lucy Platt and Phil Terrell went to the Publication Camp in Flagstaff at NAU. They learned new journalistic skills, how to get along with new people, and useful skills relating to yearbook or journalism.

Bobbi Bowen, Curtis Kempton, Jeanie Martin, and Scott Sipes attended band camp in Flagstaff.

They learned more about their instruments and music. Along with improving concert performances, the group enjoyed playing volleyball.

Art Buys, Junior Solomon, Scott Sipes, and Mr. Partain went to basketball camp. They were taught many basketball skills to help improve their game.

At band camp, Scott Sipes played the electric guitar, Bobbi Bowen played the oboe, and Curtis Kempton played the baritone.

Lucy Platt and Phil Terrell wear the T-shirts they bought at Publication Workshop. 'Good Times' was the newspaper at the camp.

Stephanie Tripp, Carol Wuertz, and Sally Bollhauve display the T-shirts they bought during their visit to Europe.

After a couple of years the Mexican American Culture Club reorganized. With the help of the club's sponsor, Mrs. Claussen the club did well throughout the year. Even though the club started late, many activities were accomplished.

The club earned money by having bakesales and selling Santa Claus lollipops. A membership party was held in the latter part of the year.

The highlight of the club was the Cinco de Mayo Assembly, which was held in early May. This assembly consisted of Mexican music played by a band from out of town and our own school band. Dancing was done by Casa Grande and CHS students, and speeches were given by special guests.

Second semester, basic sewing skills were taught along with macrame and stitchery. The students learned different types of homemaking skills that they can carry over into their daily lives.

Monday started off with an arm pit water balloon relay. Some contestants ended up soaking wet. The frozen orange pass was held Tuesday. In this event, contestants struggled to pass frozen oranges with necks. Many succeeded in doing it well. Wednesday's activity was really a messy and sticky one, "The Whipped Lifesaver." A lifesaver was put at the bottom of a pie pan and filled with whipped cream. Contestants had to eat their way through the whipped cream to get to the lifesaver. Thursday's pumpkin carving showed many artistic talents from smiling pumpkins to horrible faces. Friday's most horrible face and best costume was met with an enthusiastic student body and faculty.

' 'dear phoebe' gives advice at chs

1. Mr. John Siler, director, set designer, and jack of all trades tells the junior high about "Dear Phoebe". 2. Stage Manager, Jim Harden, fixes a plug before opening night. 3. "It's a brilliant idea, the fourth I've had today!" 4. "My fiancee doesn't know all my teeth are false, should I tell him?"

² The CHS Drama Club presented "Dear Phoebe" for the fall play this year. The play was a new experience for most of the cast, who had no previous acting experience.

The play itself was a comedy/murder mystery by James Reach. It had many interesting characters including an eccentric old lady, a chantoosey, a gangster, a hit lady, and a lady sports writer. It had chase scenes, disguises, a murder, and a happy ending.

The set for the play was one of the most complicated ever used at CHS. Besides new flats, most of the furniture used had to be built from scratch.

The 1976 Drama Club began the year with the all school production of "Dear Phoebe," a murder mystery about a newspaper office. The play was well performed and well received. Drama class gave some of the people new to theater the experience and confidence necessary to make the play a success. Members of Drama Club also enriched the production with their work on technical and stage crews.

The International Thespian Society began its third successful year by initiating nineteen new members. The troupe also went to CAC to watch rehearsals for a college production and went to see a musical at Grady Gammage Auditorium.

The third Annual Fine Arts Banquet was a fantastic success with members of Bear Tracks, Yearbook, Band, Speech, and the Music and Drama departments presenting and receiving awards.

Speech class was more than just fun; it was an experience. Students not only learned how to present a speech but how to hold and keep an audience interested. The class presented many kinds of speeches. Experiences, pet peeves, demonstrations, and heckling were often subjects of the speeches. As usual after dinner speeches were very popular. The class presented radio programs on KCKY and programs over the school P. A. system. Speech presentations played an important part at the third Annual Fine Arts Banquet.

This year's Lettermen's Club was a little different from the rest of the years. Women were finally allowed to join. They had to go through the same initiation the men did. Some of it was the wearing of gunnysacks, eating onions, and having the men dress as females and the women dress as males. They sold booster ribbons and handled the snack bar during the wrestling season. Also t-shirts were sold as one of their money making projects.

¹ Black Awareness was re-organized and revitalized this year under the guidance of a new sponsor and four energetic officers. Advising the group was head sponsor Mr. Jim Stevens with his able assistant Miss Dorothy Street.

The club raised money by bake sales, a car wash, and a turkey raffle. Members showed their pride by wearing "Black Awareness" tee-shirts. During Christmas a can food drive for a needy family was held. The fashion show, held the last week of January, was a big success. Eight members performed a dance skit during a pep assembly.

reading brings knowledge

The reading room is composed of teachers and students who work hard. There are two programs in use in the reading room. The Title I program is for students who have a reading disability that causes them to be at least two years behind their class. The migrant program is for those students who either have a high or low reading level. They are students who have moved in from other schools. Because of family mobility these students don't have the opportunity to keep up with their reading classes. There are also some migrant students who are ahead of their classes so they use tapes and read books that increase their reading ability.

The band this year had 52 marching musicians. Work was one of the main ingredients for a band to sound and look good. Marching was not the only activity the band accomplished. They also attended festivals during the band's concert season. In the late part of January a few members of the band participated in regional auditions with high hopes of making the regional band or orchestra. Last year, four members from Coolidge High School Band made Regionals, three in band, and one in the Orchestra. They were, Richard Bowen, Jeanie Martin, Vicki Williams in the band and Lisa Powell in the Orchestra. Over the summer, there was a music camp in Flagstaff, Arizona. Seven members of our high school band attended this music camp.

chs poms hold the key to spirit

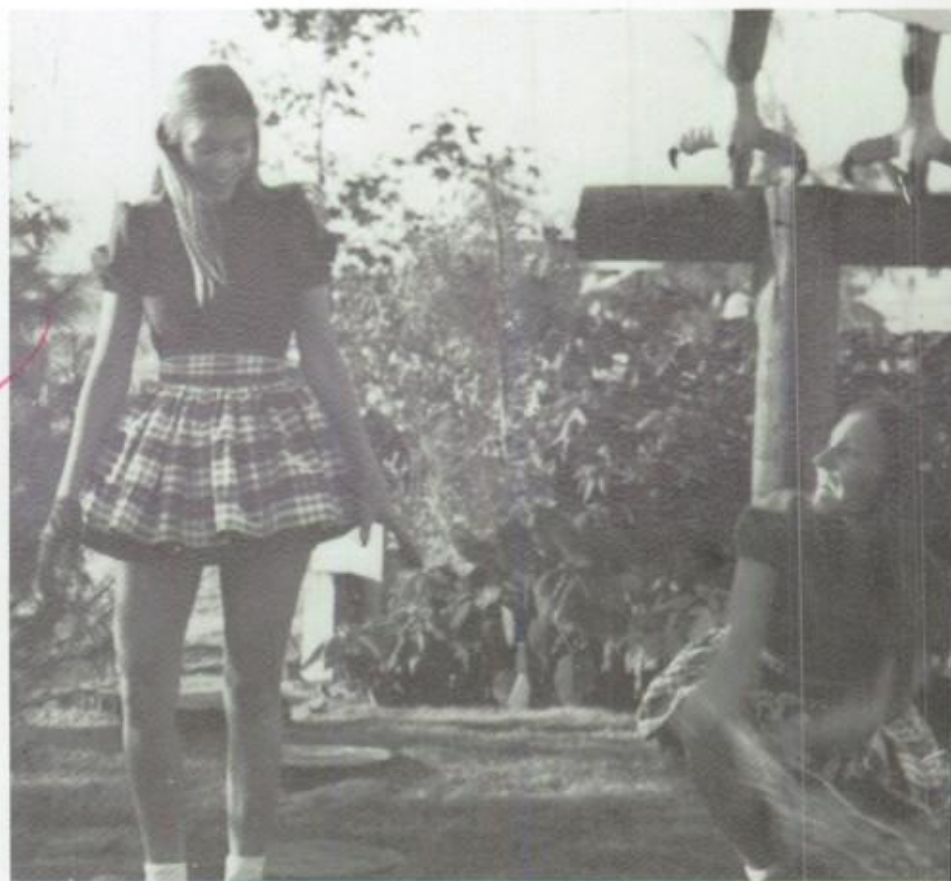

It was a busy year packed with enthusiasm for the Pom Pon Girls at C.H.S. Their season started in the summer as they prepared dances for competition at Camp of Champs at N.A.U. At camp, they learned dances, skits, and won several awards: the Super-Star Squad Award, two Red Ribbons, and several Blue and Red Ribbons for individual competition.

Every year, the Pom Pon and Cheerleaders work together to put on the Annual Dinner. The money raised from this dinner was used to buy new uniforms.

During football season, the Pom line was a part of the marching band; they performed with the band at pre-game and half-time shows, attended Band Day and other band activities. Basketball season set the Pom Pon Girls on their own, where hours of practice kept time working to regain victory for their basketball team.

1. The Freshman cheerleaders for this year are from top to bottom: Cindy Chavez, Becky Ballard, Mary Lee Miller, and Isabel Gomez. 2. The cheerleading life is no easy game; it's hard work and much effort. 3. Taking a step in the correct direction is one way to be victorious over any rival team.

This was the first year these four girls have cheered together. Cheerleading was a good experience for the girls, and they really did build the team and class spirit. The girls and the other cheerleaders sponsored a banquet. It was a job well done. The Freshmen cheerleaders traveled to the away games to keep the spirit going all the time. The smiles that shined off the cheerleaders' faces would keep anyone going, even when it meant running over a player from the other team.

Varsity Cheerleaders started another spirit-packed year by attending NCA Cheerleading Camp at NAU held during the summer. At camp, they learned skits, stunts, cheers, and also got advise on how to create enthusiasm among the student body.

Cheerleaders, Pom Pon Girls, and Mascots worked together on the annual dinner held to raise money for uniforms. The dinner turned out a success.

Working as a team, these girls made posters for games, held lunches for the football and basketball teams, took on their regular job of cheering at all varsity games, and promoted spirit at pep rallies.

South of the Gila . . . There are many people I would like to thank for contributing to the success of the '77 President—the yearbook staff, our administration, the Coolidge businessmen, the teaching staff, and the students of Coolidge High School. Their efforts are greatly appreciated. I would like to express my special thanks to Mrs. Keller (formerly Mrs. Millheim) for all of her encouragement and faith.

The catalyst of the bears offense was Kevin McHugh with his timely shooting.

For the second consecutive year, the Coolidge Bears earned the title of State Champions. The Bears had a very successful season in all respects. Losing only four games all season, the team had excellent spirit and fine players with great depth.

This year the CHS spring play was "The Passing of the Third Floor Back." A change from the usual comedy, the play, written in 1908, offered a challenge to the cast. Only three cast members had any acting experience, and the new actors will provide a boost to the Drama department. Many of the cast members who had been working on "The Crucible" before were in rehearsal for twelve weeks before presenting the play on April 29 and 30. The cast played to limited but responsive audiences.

The play was set in a boarding house. There were an assortment of shifty characters who were changed by the presence of "The Stranger."

1. "I'd rather have it before you're finished with it, if you're sure you can spare it." 2. Miss Kite primps while no one is watching. 3. "You're betting on the chance of my accepting Mr. Wright's clammy and generally speaking, not overclean hand." 4. "Delighted, I'm sure. The dear child will be delighted." 5. "Perhaps we are not good enough company for the cousin of a baronet." 6. "How do you know I'm not a cheat?"

The teams had quite a few track members qualify for the state competition. At state competition, they placed fifth out of all the schools represented. They were close this year, and next year they intend to take the state title.

The girls' track team placed second. This team was one of the most successful track teams Coolidge High School has ever had. Besides divisionals, the track teams did well in the events at the state competition.
